

Apply Projects

Project 1 Outline

Project name: Web page monitor and scanner

Places available: 4

Duration: 140 hours

Times: 24/07/2017 - 1/06/2018

Project detail: Only the student project team leader (Scrum master) applies (using InPlace).

The student team leader has to include the following information for each team member: a brief covering letter discussing why you are interested, resume, academic transcript and student number. Team size is maximum 4 people.

Note, if an Informing Minor has been indicated by the project supervisor, then at least one member of the team has to have successfully passed minor-specific units.

Some projects will require each student to sign an individual IP and Confidentiality agreement. For projects with this requirement, you are advised to seek independent legal advice before doing so. Should you decide not to sign one, advise your Unit Coordinator and Supervising Academic to discuss project options. Completed Deeds need to be submitted to sef.wil@qut.edu.au once you have been appointed to a project.
